Dear Friend
D. Webb

My dear friend
I have not written to thee, I fear, since
this time last year, but have
to thank thee for a very kind &
interesting letter, with the personal
opinion I was favored, at thy
suggestion, by Richard D. Webb.

It was a very charming letter, giving
a sketch of the wonderful Philadelphia
meeting - such a remarkable
show of the times in all its
features - we greatly enjoyed thy
very description of the newspaper
reports & also I rejoice that you
are still organized & still vigilant,
for although we cannot but believe
that the days of slavery are drawing
to a close, experience tells us that
the Slavery Spirit is hard & drives

Dear Friend

My dear friend

Starve & its manifestations
come up unexpectedly from
time to time - We are afraid
of this new Banks order about
restrictions in moving from
plantation to plantation, it
looks like an effort to restore
something like the old regime,
but we are relieved to find you
are watching it & hope it will
soon cease to mar the work
that is going on in Louisiana.

I send by this mail sundry
copies of our Report, just issued,
I hope you will approve it. - I
have frequent communications
from Mary Estlin she is pretty
well at present & deeply interested
in American affairs. - It is a
gratifying sign after times
that George Thompson is received
with such marked favor, we
shall be much interested in reading

of his visit to Washington, —
Richard Webb is well, I have
not seen him, or heard from
him directly, for a long time
but I hear of him frequently.

I enclose a bill on London
for £ 14. 5. "
